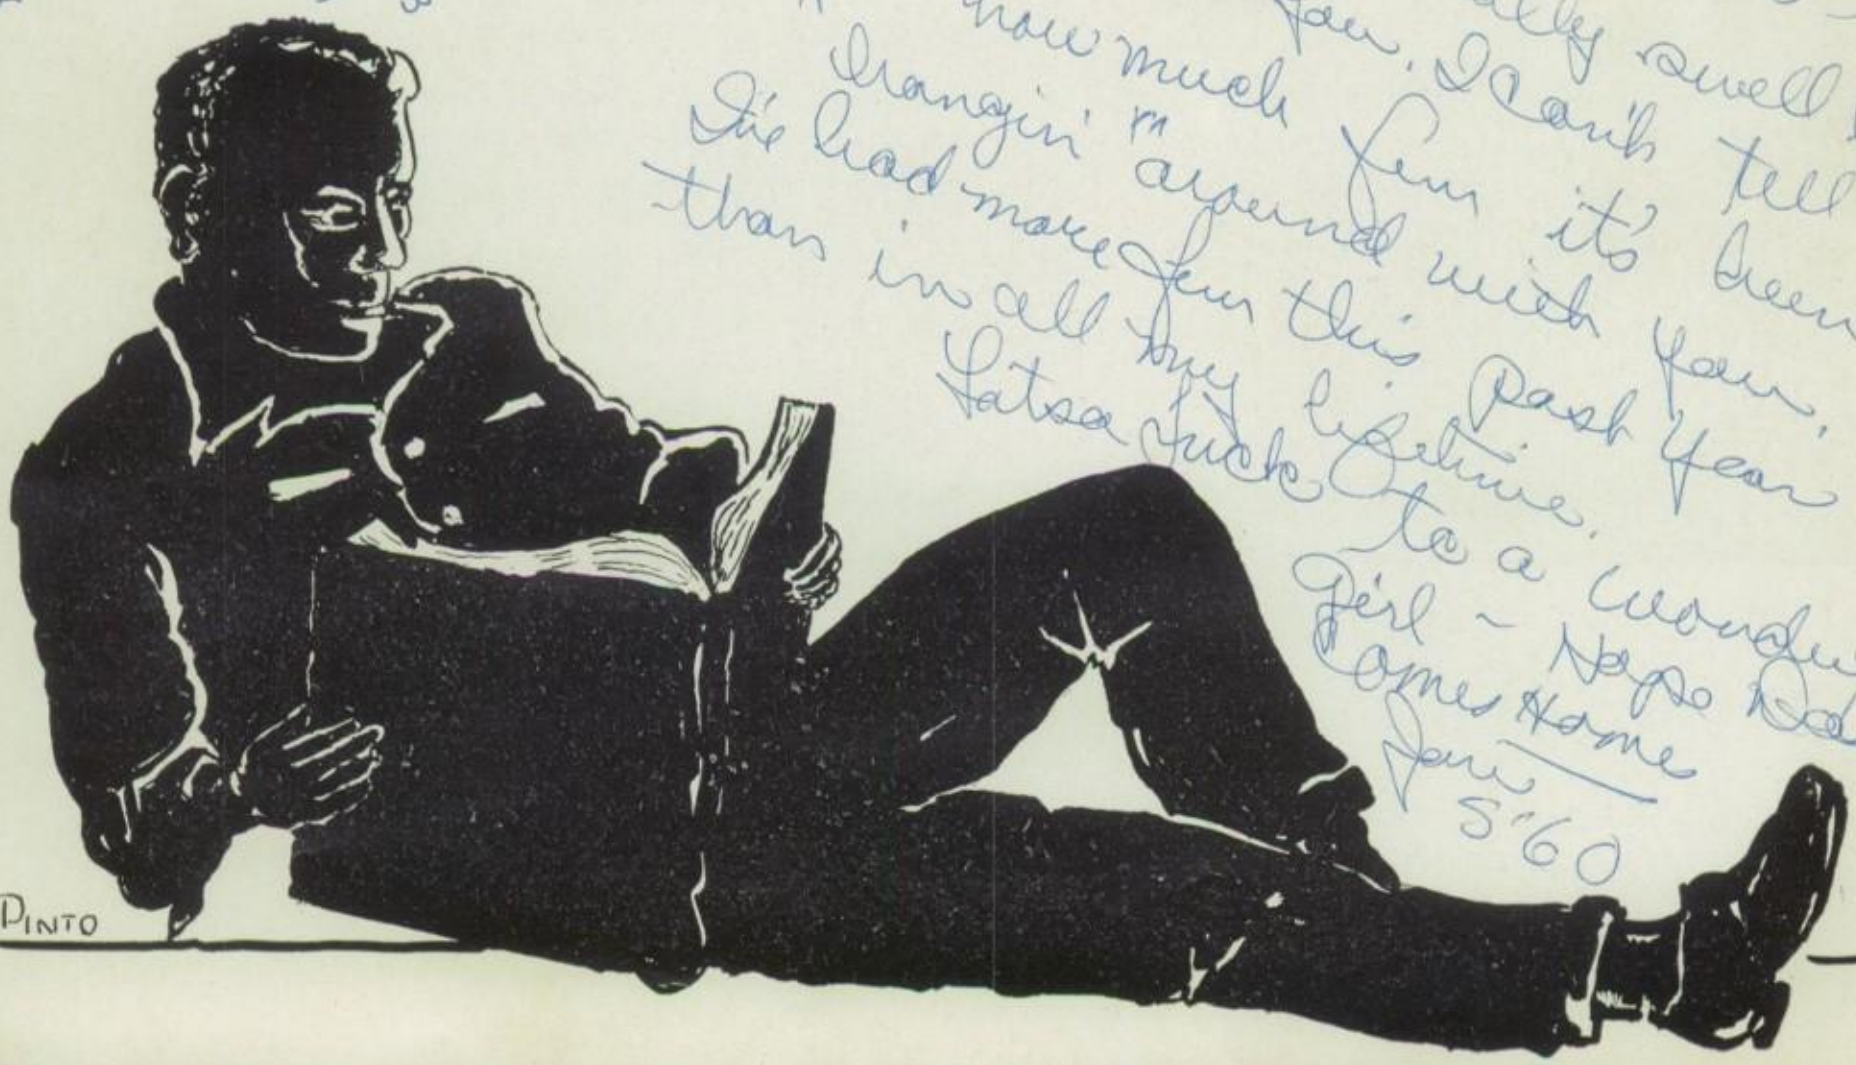
Memories

Memories are fragile things,
Yet lasting, too;
Memories are pleasant dreams,
Or grim reality.
Memories are growing things
We build through all our years;
Memories are thoughts we hold
As long as life,
As dear.



Dedicated to
The students, faculty and administration
Of a school with happy memories
And proud accomplishments

Memories of Administrators, Faculty, Staff

In learning from the faculty,
Administrators, too,
Our days of school are spent.
The memories we share
Are memories of knowledge gained...
Of work complete...
Of skills and attitudes...
An opening view of worlds beyond
And learning all through life.

The theme of "memories" is an appropriate one for a school yearbook, for youth is the time when one stores up memories for the future: memories of friends and activities, of classes and assignments, of new understandings.

If your experience is like that of others, school day memories—happy or unhappy—will come back to you for all the future.

If you have taken advantage of your opportunities here, to the best of your ability, your memories will be of time well spent, and I can predict for you an outstanding future. If your memories are of time and opportunity wasted, we can only hope that you will begin now to build better memories, and to work for the success which—God willing—can still come to you.

Our best wishes for the future go with all of you. May your futures be bright, always, and the memories that you keep and build always be memories of which you can be proud.

—Mr. Noble Waite
Principal

Memories are precious things for all of us, and those we store in youth influence all our future.

Our memories of you who graduate are pleasant ones. We are sorry to see you leave, and yet we know that growth and new experiences are good for all of us. We are confident that being graduated from high school will help you meet successfully the problems and opportunities ahead. We shall be proud of your accomplishments after graduation.

May we urge you who are not 1957 graduates, and who will be returning to us, to take full advantage of all your school has to offer.

We hope all of your experiences will be worthy of storing in your "memory chests."

—Mrs. Iona Jurden Lord
Girls' Vice-Principal

Iona Lord

Memories are treasured...

The years spent in high school will mean different things to our graduating seniors. To some it will mean preparation for a job or preparation for advanced college work. to others it will mean simply preparation for life, marriage, or social success. To all, however, it will be a completed period full of memories.

Memories are wonderful to have and are not easy to lose as they will always be a part of you. It is our hope that the memories you will retain will be satisfactions and pride in your accomplishments in all phases of your school life. We wish you the best in life and happiest of memories.

Seniors have memories
Of proud accomplishment...
Of years well spent...
And classroom fun...
And leadership.
Now at Commencement
School learning meets the test of life.
They are prepared.
They will not fail.

Serving as Senior A officers for the Athenians, class of Winter 1957, were, left to right: Tim Carpenter, Beatrice Mayer, Gary Beckman, Helen Stay, and Herb Patterson.

Winter '57

Way back in February, 1953, Huntington Park High School first became acquainted with the Winter class of 1957. Reigning as Queen and King of the Howdy Dance were Gale Good and Carol Rucker.

The second Freshman semester found Jim Reece as class president, and doing a fine job as their leader. As Sophomores, members of the class became very active in service clubs and sports, and Jim Reece was once again elected as class president.

The Junior year saw many of the members taking part in Student Body activities. Gary Beckman was elected Commissioner of Regulations, Jim Reece Commissioner of Public Arts, and Gale Good Commissioner of Athletics. Then in June, 1955, Jim Reece was elected as Vice- president of the Student Body, along with Tony Woods as Commissioner of Regulations, Gary Beckman as Commissioner of Public Arts, and Art Contessotto as Commissioner of Athletics. This was indeed a busy year for the class, and in January, 1956, the Phoenix Society accepted Gary Beckman, Dale Burrell, Jim Reece, Ronald Langston, Wally Shidler, and Helen Stay as new members.

As the Winter class of '57 reached their Senior year, they chose as their color, apple green, and the name Athenians. Art Contessotto was elected to serve as Senior class president in the summer with Gary Beckman elected in the fall. Lila Bailey did a fine job as G.A.A. president, while Jim Reece served as Eastern League president.

Art Contessotto served as Student Body President with Lila Bailey as Vice-President; Joyce Steren, Secretary; Alan Skuba, Commissioner of Regulations; and Dixie Melback as Commissioner of Finance.

Many were the offices held and school contributions by members of the class in the fall of 1956 and winter of 1957. Huntington Park was sorry to see such a fine class leave but wished each member of the group success.

Dearest One,
I don't know you
to well, but maybe
we can fix that up,
I hope so - - - -.
I don't know what
to say so I close.
I will always be,
thinking of You

Summer '57

Centurions and powder blue were the name and color chosen by the Summer class of 1957. Four wonderful years of memories are the treasures of each member of this very active class.

These memories began in September of 1953. Dennis Kelly and Carol Posthumus were chosen as King and Queen of the annual Howdy Dance. Bob Riley led the class as Freshman class president, beginning the many activities in which the Centurions were to participate.

Dave Anderson led the second semester as president while Diane Benge was elected Girls' League parliamentarian and Carol Posthumus publicity chairman.

Richard Newby led the class as Sophomore president. Brenda Benton, Diane Benge, Gail Stevens, and Carol Posthumus were active in Girls' League in the first Sophomore semester. Carol was then elected Commissioner of Awards in the Student Body, while Gail Stevens and Brenda Benton were still holding offices in Girls' League. Many of the girls also held offices in G.A.A. during the second Sophomore semester.

As Juniors class members were even more active. Gay Elliott served as Junior class president for the second semester. In the first part of the year the girls once more held many offices. Gail Stevens was elected Commissioner of Awards, along with Carol Posthumus Commissioner of Welfare and Diane Benge Historian. The following semester found Diane Benge, Gail Stevens, Russell DeRemer, and Joan Taylor holding Student Body offices, while Barbara Willis and Norman Woodruff had advanced into the editorship of the Spartan Shield.

The Senior year saw many activities for this outstanding class. Huntington Park knew, as they wished the graduates well, that they will continue to be active throughout the future.

Executive Board W'57

Spartan memories would not be complete if we did not include our Executive Board.

Perhaps the main reason we remember the board is the fact that it is our legislative body at Sparta.

Presiding over the board, as student body president for the Winter '57 semester was Art Contessotto. Art was assisted by his vice-president, Lila Bailey, and the other members of the cabinet in dealing with school problems that came under his jurisdiction.

The annual Sadie Hawkins dance was the highlight of the semester. Homecoming, too, with its queen and princesses, floats and drill team, added another item to our memories.

Executive Board S'57

Good gualities and leadership abilities are the necessary things the Executive Board of Summer '57 contained.

Board meetings, held every Monday, were—as always—open to any member of the student body. Assemblies, athletics, socials and problems that may arise are discussed by the board.

Leading the board this semester was Gay Elliott, student body president. Ably assisting her in their various duties and responsibilities were Mike Morrison, vice-president, and the other fine membrs of the board.

The new popcorn stand, annual Cotton 'n Cord dance, and, of course the Prom were highlights of the semester which will long be remembered.

Student Court

Chief Justice Charles Ashton and Justices Sheila Levin, Martha Martin, Becky Flores, Luther Sprouse, Ben Bycel, Jo K. Williamson, and Sandy Weiner did an excellent job in setting fall offenders against school rules back on the straight and narrow.

This court represents the student body in interpreting school rules and policies. One of the many things the fall term court did was to set up exams on school rules as a penalty for violators of the rules.

Spring term chief justice Pat Cragin had equally outstanding assistance from representatives including John Lenk, Carol Pepper, Jim Scott, Alice Santiago.

Radio Club. Left to right, Mr. Webber, R. Evans, G. Hood, L. Mohler, E. Irwin, D. Douglas, R. Wood.

Radio Club

Studying of advanced radio and electronics; preparing for radio operators license; building, operating and maintaining radio transmitter; and providing time for discussion of special radio problems: these are purposes and projects of the Radio Club.

The club is sponsored by Mr. Frank Webber, teacher of the electric shop at Huntington Park and Sound Crew sponsor.

Roger Evans, president; Everett Evans, vice-president; Doug Smith, secretary; Jack Roberts, treasurer; and Larry Mohler, sergeant-at-arms, served as officers for the fall semester.

Radio Club chose Doug Smith as its spring term president; Everett Irwin, vice-president; Gordon Hood, secretary; Jack Roberts, treasurer; Larry Mohler, sergeant-at-arms.

We study interesting, helpful things...

Chess Club

"The most exciting activity of the year was taking part in the all-City Tournament at Hollywood High School," says Chuck Taylor, president of the Chess Club.

Frank Douthart, vice-president, says that the purpose of the club is to build interest in the game of chess for the students.

Pat Cook played a big part as secretary and treasurer to complete the list of fall semester officers.

Tom Hoefling was added to the group in the spring as sergeant-at-arms.

Chess club is sponsored by Mr. Claire Palmer, who is quite a chess player himself.

Sound Crew

Sound crew, under sponsorship of Mr. Webber, is taken as a class. The crew ranges from boys of the 10th grade to those of the 12th grade. Their duties consist of setting up all the necessary equipment for assemblies, sports rallies and dances. The boys gain much experience in electronics from this club.

...which lead us to careers...

Stage Crew

Stage crew, under the direction of Mr. Weed, is also taken as a class. The crew receives the maximum 5 credits for an industrial arts course. The specific duties of stage crew are to set up the lighting and background for all assemblies and plays. They also prepare the lighting for all the dances.

Ticketeers

Ticketeers Club will be remembered as an efficient group of students selling and taking tickets at all events, both athletic and social, whenever and wherever their services were required.

Activities of the club are varied but always exciting and interesting, such as the semester "invitation party."

Officers in the fall included Mary Kay Harris, president; Clarence Thompson, vice-president; and Shirley Ann Wheeler, secretary-treasurer. The sponsor is Mr. C. E. Vanderpoel.

Mary Kay Harris was spring semester president, Lydia Ruelas was new vice-president, and Jane Kamima continued as secretary-treasurer.

A. V. E. O.

A.V.E.O. (Audio-Visual Education Organization) is a service group, sponsored by Mrs. Alice Chew, which trains and allows members to show movies to other students in the classroom.

The club meets in room 102 and is open to both boys and girls of all grade levels. If taken as part of the daily program, AVEO counts as a workshop.

F.T.A.

Visiting neighboring schools, and observing the teachers of various grade levels is the most exciting activity of the year for the members of the Future Teachers Association.

Fall semester president, Sue Aborn, and vice-president, Judy Winkler point out that the club gives students a chance to explore the teaching field.

During the first semester secretaries Mary Kay Harris, and Genta Hawkins were very busy keeping accurate records for the club, while treasurer, Phyliss Smith took care of the money. Publicity chairman was Deanna Shirley, Marilyn Miller was historian, and sergeant-at-arms was Carol Duckworth.

The Future Teachers Association, sponsored by and under the leadership of Mrs. Dorthy Moore, is a branch of the National Future Teachers of America.

Another duty of Talent Nominating is to choose Sam and Suzie for the Spartan Shield. There are seven girls on the committee.

Memories here are of dances...

Hostess Club

Many students have pleasant memories of the Hostess Club, sponsored this year by Mrs. Carol Trainor. Fall officers were: Verbena Livingston, president; Carol Scheski, vice-president; Jane Kamiyama, secretary-treasurer.

Purpose of the club is to serve food at banquets, teas, and breakfasts, or any other occasion for Huntington Park High School.

Highlight of the year was their own breakfast in the school cafeteria.

Host and Hostess. Left to right, first row: V. Livingston, D. McNeely, M. Harris, L. Ruelas, C. Scheske. Second row: N. Delhousay, M. Sims, J. Kamiyama, Mrs. Trainor, S. Cameron, D. Verdugo, J. Clark.

Band

Dressed in the traditional orange and gray uniforms, Huntington Park's band made a fine display on the football field and at other activities. Under the direction of Mr. Shushan and Mr. Pease the band had a very successful year, and many members of the group also joined the concert orchestra in the spring.

Print Shop

Huntington Park High School is most fortunate in that it has its own print shop where boys work as in a regular class and put out the El Recuerdo and the Spartan Shield in addition to much school printing.

Copy is set by hand and the linotype machine also is used. After proof is read by the journalism department, the corrected sheets are sent back to the shop for final corrections and make up.

Print shop is splendid training and takes a lot of work and effort on the part of any boy who works there. The instructor, an outstanding teacher, is Mr. Francis Lebus.

Future Engineers

Combination of the science and math clubs resulted in the formation of a new club on campus this year, known as the Future Engineers Club. Mr. Hendrix, now taking a Sabbatical leave, and Mr. Ruth are the sponsors.

The Future Engineers discuss many problems in the field of engineering, and members hope to enter engineering or science. At the present time they are in the process of making a constitution.

Key Club

The International Key Club, sponsored by the Kiwanis, has many services, and will be remembered for various community and in-school projects. Presenting assemblies, awards, and money raising projects are just a few of their many activities.

Ed Mancini led the club as president from February, 1956 to February, 1957. Richard Lincourt was then elected to fill Ed's shoes from February, 1957 to February, 1958.

Annual Staff. Left to right: Dr. Boyd Lindop, sponsor; G. Elliott, editor; C. Ferguson, J. Williams, V. Griffin, B. Bronson, staff members.

El Recuerdo

This year the Annual staff has worked hard to bring you an Annual that you could be proud of. The running theme is something different than in past years, the senior section is completely revised and we hope you get as much fun out of reading it as we have had in bringing this annual to you.

Gay Elliott directed the planning and carried out all of the numerous activities and responsibilities that her position of editor called for.

Assisting her by gathering all of the needed information on their assigned sections of the annual were members of the staff, Bernadine Bronson, Pat Cragin, Cathie Ferguson, Dena Garber and Verna Griffin.

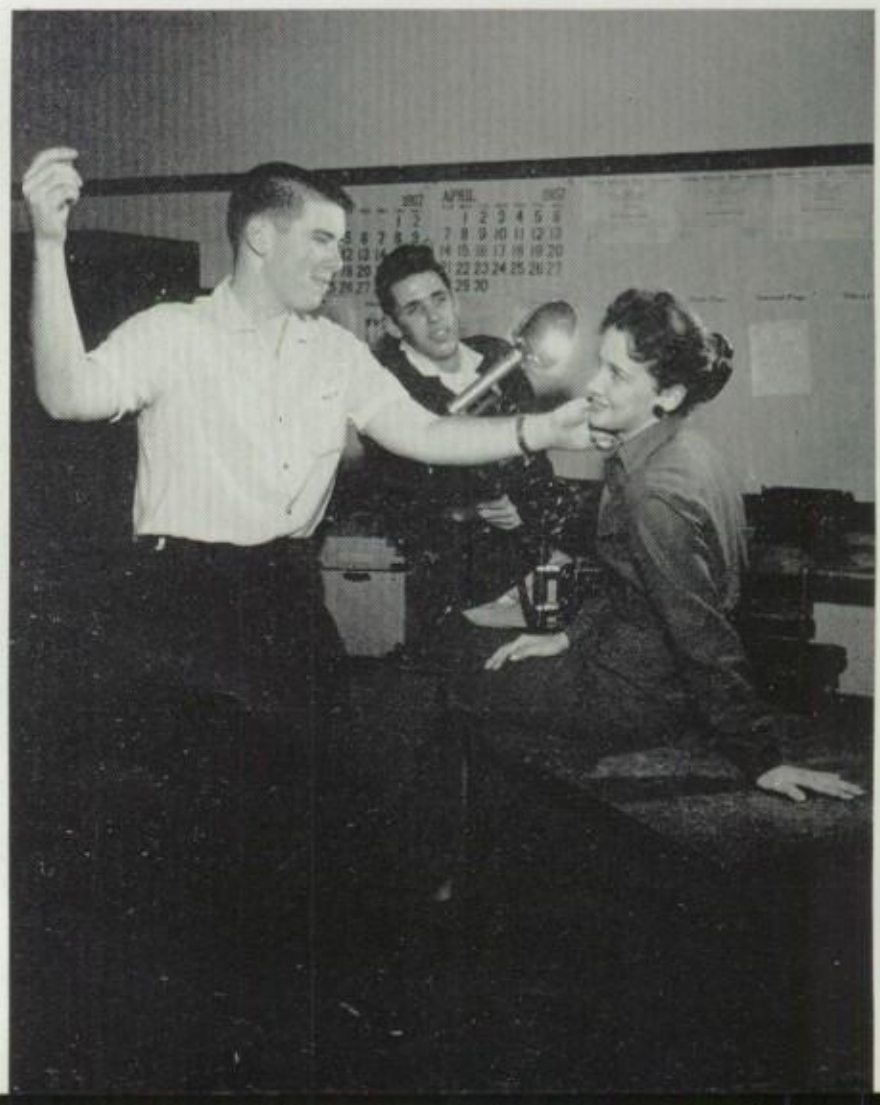
...of service done for others...

Photographers

Photographers this year worked independently.

Art Redfox and John Williams did most of the work for the 'Spartan Shield.'

Working on the annual with Alfred and Fabris, photographers, were Pat Cragin, John Williams, and John Lewis.



Photographers John Williams and Pat Cragin line up a picture of yearbook staff member Bernadine Bronson.

Spartan Shield

The 'Spartan Shield' is sponsored this year by Dr. Boyd Lindop, Huntington Park graduate who succeeds Mr. Alfred Holm-Kennedy, much loved and respected instructor who retired last June.

Fall editors were Barbara Willis and Norman Woodruff. Other officers included: Dena Garber, advertising manager; Tom Davis, exchange editor; Pat Cragin, sports editor; Laoni Hannula, news bureau; and Pat Cook, files editor.

Purpose of the 'Spartan Shield' and staff is to put out a weekly paper in good journalism style, carrying news of all school activities, and to publicize all worthwhile projects.

Norman Woodruff was spring director of publications, with Pat Cook and Dena Garber as co-editors, Tom Davis and Pat Schiotis in community relations, and Sandra Bayles and Jan Clark as advertising managers. Pat Cragin continued as sports editor, and Janet Paulson was named files manager.

Which came first, the gun or the clock at the Garfield game?

Huntington Park charges for the goal.

Varsity Football

With high spirit and great determination Sparta's Varsity Football team had a successful season, taking third spot in the Eastern League after tying with the two top teams in the league, South Gate and Roosevelt.

In the non-league season the squad won over Hollywood 35 to 6, and Lincoln 20 to 14. They lost to Wilson 13 to 7, and to Santa Barbara 14 to 13.

In league play the team tied Roosevelt 13 to 13 in a night game on Roosevelt's turf. Last minute tries by both teams proved unsuccessful.

The following game with Garfield was a great disappointment when the team lost 13 to 6 in a last second play. A long pass from Garfield's quarterback to his end in the coffin corner succeeded in winning the game as the gun fired.

The next two games found Sparta facing local Southeast rivals, Bell and South Gate.

The Bell game, which Sparta won 26 to 7 on Bell's turf, was a real victory with Huntington Park scoring each time they had control of the ball except once.

The final game was the most beautiful game of the season. Sparta's Homecoming game. Thrills came all the way as South Gate's Rams tied the Spartans 22 to 22. Huntington Park led the league champions (and last year's city champs) all the way until the last quarter, when both teams got safeties within a matter of minutes.

In league play the team was hurt by a rash of injuries, mostly to the backfield. Most serious was Tony Volosin's broken leg in the first game. Other injuries included assorted pulled muscles, and a bad shoulder injury to Gale Good just before the last and most important game of the season, South Gate.

Members of the team who took All-League and All-City titles included John Mathis, co-captain, who made second string city and first string league; Herb Patterson, co-captain, and Gale Good, who made third string City and first string League. Art Contessotto made second string League.

Final standings of the Eastern League were: South Gate, first place; Roosevelt, second; Huntington Park and Garfield, third; and Bell fifth.

The team is coached by Coach Floyd "Scrappy" Rhea and Assistant Coach Raymond Vernoy.

Bee Football

This season's Bee football team did not do too well in League or practice games. The season started with a tough game, a 6-6 tie with Wilson on the Mules' home grounds. Next the Spartans met Hollywood, and bad breaks and a tough Hollywood team defeated the Spartans 12-0.

Sparta's first win came at Lincoln, with a final score of 7-6.

In League games the team lost to Roosevelt, Garfield, and South Gate, but tied Bell. Scores of the lost games were 25-0, 7-6, and 18-0 respectively. In the Bell game the Spartans tied 7-7.

Two members of the team won League honors: Ralph Arriola, who was first string All-League, and John Lenk, who was second string. The team tied for third place in League standings with Bell.

Varsity Basketball

Sparta's Varsity basketball team took third place in the Eastern League with a 6 win and 4 loss League record.

The strong Spartan team was given a spot in the city playoffs even though most qualifying teams had taken a first or second to be eligible.

The Spartans met the powerful Southern champs, Jefferson, in the first round, and lost by a score of 63 to 74. Sparta made a tremendous comeback in the second half after trailing 25 to 40. The rally showed other teams Jefferson could be beaten, and in the next game they were defeated.

In League play the Spartans beat South Gate twice—51 to 49 and 61 to 36. In the first game it took four overtimes to defeat the Rams.

The Spartans were beaten twice by Roosevelt, the Roughriders winning 71 to 68 and 69 to 41. Bell's Eagles also won twice, 69 to 63 and 52 to 47.

Against Riis and Garfield the team hit the century mark twice in one week with scores of 102 to 53 over Riis and 109 to 67 over Garfield. Other scores were: H.P., 76; Riis 37. H.P., 63; Garfield, 55.

Making All City squad for the Spartans was Dave Hancock, who scored 225 points to be the leading scorer in the city. He also made first string League, as did others in the squad.

Men on the team were Bob Riley, Dick Newby, Jim Zartman, Darrell Burrage, Dave Hancock, Alan Skuba, Ed Mancini, Russ DeRemer, Warren Rupp, and Richard Glatzhofer, all Seniors.

Varsity Baseball

Going into the final weeks of baseball the club had a two win, three loss record and one tie. The "tied" game against Garfield went 10 complete innings before being called because of darkness and was scheduled to be finished the next time the teams met.

The team won over South Gate 3 to 2, and against Roosevelt they split with scores of 5 to 1 in favor of the Roughriders and 10 to 8 in the Spartans favor.

Against San Fernando Poly the team lost 8 to 7 on a string of walks, 16 to be exact. They also lost to Bell 4 to 2.

The team still had to finish the Garfield game and one more game with the Bulldogs, and games with South Gate, Bell and Poly remained at deadline.

On the squad were Bob Proctor and Dick Hill, pitchers; Punky Langston, catcher; Bill Parrott, first base; Darrell Burrage and John Fiorenza, second base; Dave Matson, Fred Rasmussen and Eddie Frey, third base; Gary Cox and John Ramsey, short stop; and Ed Mancini, John Mathis, Joe Arve, Sam Manooshian, Tony Volosin and Ronnie Ragone, outfielders.

Drill Team

Drill Team was once again in top condition for the fall football season.

Even though the March, 1956 fire destroyed the drill team uniforms, the girls found a good substitute, for Mrs. Talley devised a somewhat vest-like jacket that could easily be made. The typical crisp, clean-looking white shoes, socks, shirts and skirts were still maintained by the members of Drill.

Girls wishing to be in Drill Team must be above the ninth grade, have good posture, and maintain a C grade average.

Tryouts are held in the spring semester. Miss Hasty, who does an excellent job as sponsor, works with the girls on new ideas for drills and teaches them the necessary fundamentals for marching. All the girls who have ever participated in drill remember it as great fun, and the student body will remember their fine work.

Drill Team. Left to right, first row: M. Quigg, C. Geddes, J. Houck, H. Holston, S. Watson, G. Hawkins, J. Valentine, H. Sellers, S. Washburn, F. Elliott, G. Elliott. Second row: P. White, B. Willis.

This year's able Drill Team president was Sally Siebring, shown here with their fine sponsor, Miss June Hasty of the girls' physical education department, whom all will remember with pleasure.

Memories of Community Friends

Lots of Luck
to a real sweet
girl whom I like
very much. If
you don't get a
crazy tan this summer and if you
don't I'll turn you over my knee
Let hope you and I can
get together more often
providing the parents say yes

to a real nice
girl Sharon, and
good luck this
summer and always
Wayne Gregoire

A musical salute we send
To our community friends. . .
And we remember them
For their great contributions
To this yearbook
And to the school.
Sound the trumpets loud
As we salute

SUCCESS STORY
at
PACIFIC TELEPHONE

The young people you see pictured here were recently students at Huntington Park High School. You no doubt recognize them. They are only a few of the many graduates from this and other nearby high schools who have come to Pacific Telephone in search of jobs and careers that offer the challenge and opportunity so important to the young graduate of today.

A great many young men and women are needed at Pacific Telephone because of the tremendous growth being experienced in Southern California. The company's huge expansion programs mean even greater opportunity for employees, since all management personnel are chosen from the ranks. After all, these are the people who best understand telephone problems.

Many interesting and really worthwhile jobs are available. These are permanent jobs that afford you excellent advancement opportunities. You will receive full pay while you're being trained; later you will receive vacations with pay and regular salary increases.

Don't leave it to chance that eventually you will find a job meeting all these conditions. Take the first step and visit the friendly folks at Pacific Telephone-right away!

A Great History—Building Toward a Greater Future

It isn't an easy profession
Is isn't all pleasant

But if YOU are
A good student
Willing to work
And with an interest in young people
and their growth and development

Sharon—
You're a real sweet girl, and one of the nicest; Best of luck in the future.
Your friend
Always, Lavada Lyttleton

Your teachers urge YOU
To consider a career in teaching

Need for good teachers is great and will continue—especially in this area with increasing population.

Teaching salaries in Los Angeles now start at $4250, rise to a maximum of $7800 with experience and advanced training.

Teaching has other rewards, known only to those who enjoy teaching and are "proud to teach."

Teaching keeps you in touch with the future.

You work with a fine group of colleagues, and your work gives you a chance to be with the families you will establish when they're on vacation.

It isn't an easy profession
It isn't all pleasant
But it does have
Strong arguments in its favor.

If you meet the qualifications
Why not consider teaching as your career?
